Anchored by a high volume ShopRite, West Goshen Town Centre is located just east of downtown West Chester, Pennsylvania and minutes away from the County court house and West Chester University. A desirable address with excellent exposure to the heavily traveled Route 3 corridor, West Goshen Town Centre is less than one mile from the intersection of Route 202 and Route 3 giving tenants and their customers convenient access to regional road systems of the area. The recent housing boom coupled with the lack of commercial development opportunities in the West Chester area offers prospective retailers of this shopping center a great opportunity to be well-positioned in the market.
